Yurchak Printing Expands

-- *Graphic Arts Online, 10/8/2007 8:19:00 AM*

Short-run digital book, journal and catalog printer **Yurchak Printing**, Lancaster, PA, plans a \$2.95 million expansion and will receive an \$840,000 low-interest loan from the **Pennsylvania Industrial Development Authority** to help fund it. The nine-year-old company will use the money to buy and renovate a 58,800-sq.ft. building in Landisville, PA where Yurchak will move its 54-employee operation.

The firm's previous 24,000 sq.ft. site is being leased by Apex Advertising, an advertising specialties company, for mailing and fulfillment. Yurchak will occupy 27,000 sq.ft. of the new building and will lease the remaining space. The expansion will eliminate the printers need to rent off-site storage.

EDC Finance Corp. is sponsoring Yurchak.
